

6TH ANNUAL

FIELDS & FUTURES

Bowtie Ball

DECEMBER 12, 2019

TODAY

TOMORROW BEGINS

A night to celebrate, honor, and thank the coaches who make the world a better place — one athlete at a time.

Party With a Purpose

Proceeds from this event will help fund field construction, field maintenance and programs designed to grow student participation in sports for Oklahoma City Public Schools. As a proven motivator to improve student attendance and grades, sports can be the catalyst some children need to put them on a better path to graduation. Our driving belief: if they play, they stay and if they stay, they graduate. With your support, we will continue igniting success — one field, one coach, one student at a time.

Special Guest: NBA Hall of Famer Bill Walton

Basketball legend Bill Walton knows firsthand the influence a great coach can have on a kid's life. As one of sports' most recognizable and beloved figures, Bill had the opportunity to play at UCLA under legendary Coach John Wooden. His success on the court is well-documented. After UCLA, Bill played for two NBA Championship teams and, today, is a broadcaster and popular voice on ESPN, covering PAC 12 basketball.

But Bill's rise to the top of the game was not without personal challenges. As a young man, he overcame a stuttering problem that kept him from saying a simple "thank you" until he was 28 years old, and a foot disorder led to 37 surgeries on his feet, legs and back - keeping him sidelined for more than half of his NBA career. But pure grit and a positive outlook propelled Bill to become the icon we know and love today.

Bill Walton was inducted into the Basketball Hall of Fame in 1993 and named to the "50 Greatest NBA Players of All-Time." He has led a life of humility in service of inspiring others. Please join us in welcoming Bill to Oklahoma City!

Cleats for Kids

C4K empowers kids to live healthier lives and learn important life lessons through sports by providing sports shoes and safe equipment to young students in need. By helping get more kids involved in sports, C4K gives underserved youth hope and self-confidence to join a team and find a sense of purpose and belonging. In just a few short years, this amazing organization has given away over 100,000 items to Oklahoma students and has played a critical role in growing student participation in sports for Oklahoma City Public Schools.
